## What is A.E.P.?

The Alzheimer's Enrichment Program (AEP) is a day program for seniors with early onset to mid-stage dementia, Alzheimer's, or age related cognitive delays. AEP utilized a Montessori-Snoezelen therapy approach empowering clients to engage in self-directed, curiosity-led activities that promotes individual choice in a highly interactive environment based on the client's sensory needs.

Veronica Hixon Calliet, BSN, RN,

Certified Montessori-Dementia Care Practitioner

An illustration at the top of the page shows a family of five silhouettes walking along a light-colored path that leads towards a building with a blue door. The family consists of a man, a woman, and three children. The background is a green lawn. The title 'A Place in Zion' is written in a large, dark blue serif font, with 'A Place' on the top line and 'in Zion' on the bottom line. Below the title, the text 'COMMUNITY OUTREACH ORGANIZATION' is written in a smaller, dark blue sans-serif font.
